

OLC Summer Enrichment First Grade

Dear First Grade Parents,

Welcome to the First Grade! Please visit the OLC website and click on the Summer Enrichment link to access the packet. The packet includes: math enrichment to increase arithmetic fluency, literacy activities and books to build reading comprehension skills, and a writing journal to develop handwriting, grammar, and spelling. Along with the list below please read everyday for 15 minutes. The work is due the first week of school.

The attached pages outline the summer enrichment activities planned for incoming first graders. We ask that you only focus on this packet to maximize skill development and quality of work product.

Sincerely,

1st Grade Teachers

Additional Math Resource (Weekly)

In addition to the skills reviewed in the Summer Bridge Activities, we are asking students to practice/use the following resource to enrich math fact fluency and other core skills.

- **10-15 minutes, 2 times per week**

New Families to OLC will receive this log in when the school year begins and are not expected to complete this component of the enrichment packet. However, we do ask that math fact fluency be practiced (with sums up to 10) using other resources like flashcards, apps, etc.)
